

## Australian Pilot (CASA) Medical Costs (Oct 2020)

**Medical at Remuera Doctors Ltd** **\$310.00**

Additional costs depending on the applicant's age:

**Resting ECG** **\$70.00**

### External tests:

**Fasting Blood Test** (at Labtests; other labs may differ) **\$63.50**

**Audio Exam**<sup>1</sup> must be done on CASA Form **\$100 - \$120**

**Eye Exam**<sup>2</sup> must see a D.A.O. The Eye Doctors **\$228**

The Retina Specialists **\$250**

Please ask reception for CASA external test providers.

**Total Cost (including additional costs)** **\$750 - \$800**

Please also factor in the \$75 AUD fee when you apply online.

<sup>1</sup> The audio exam can be completed by any NZ Registered Audiologist **but on a CASA audio form**. The original report must be provided – no faxed, emailed or scanned copies will be accepted.

<sup>2</sup> The eye exam must be completed by a Designated Aviation Ophthalmologist (D.A.O.) who then submits the report using the CASA's Medical Record System (MRS).

- Applicant must complete their MRS application online before they visit an examiner: <https://mrs.casa.gov.au/User/User/ConfirmIdentity?role=MrsApplicant>
- Applicant must bring a Passport or Driver Licence, as well as any eye correction that may be worn. Also bring any medical history and/or list of medicines if applicable.
- Blood Results and Audiograms must be less than 90 days old
